ROCKEFELLER HURTS TAFT

It Is Believed the Great Magnate's Support of Taft Helps Bryan.

Napoleon, Ohio, Oct. 30.—William J. Bryan, the democratic candidate for president, gave out a statement here today commenting upon declarations of John D. Rockefeller made in New York yesterday that he would vote for W. H. Taft. Mr. Bryan said he was not surprised at the declarations of Mr. Rockefeller as the Standard Oil Company and the republican party have been so closely related and many of their interests are identical. Br. Bryan's statement follows:

"The morning papers publish a statement from Mr. Rockefeller giving his reasons for supporting Mr. Taft. He says:

"If for no other reasons, I support Mr. Taft because, oil comparing him personally with Mr. Bryan, his chief opponent, I find the balance of fitness and temperament entirely on his side. The election of Mr. Taft will, I believe, make for law and order and stability of business. He is not a man inclined to rash experiments or to impede a return of prosperity by advocating measures as subversive of industrial progress."

Taft's Sympathy for Trusts.

"There are several things in the statement that deserve attention. The first clause says, 'if for no other reason.' But there is already a reason. He is for Mr. Taft because Mr. Taft is for him. He is for Mr. Taft because Mr. Taft is in sympathy with

the trusts. Mr. Taft has been making speeches for many weeks, and he has not yet dwelt upon the iniquities of the trusts or points out the injustice done to the American people by them. No wonder Mr. Rockefeller is for Mr. Taft.

"Notorious Law-Breaker."

"Again Mr. Rockefeller says Mr. Taft's election will make for law and order. This is false. Mr. Rockefeller's corporation is the most notorious law-breaker in the United States, and he is for Mr. Taft because he does not want the law enforced. If he thought that Mr. Taft would enforce the law against the Standard Oil Company and favored the enactment of more stringent laws against the Standard Oil Company, as I do, he would not be for Mr. Taft. Mr. Rockefeller also says that Mr. Taft's election will make for stability of business. What kind of business? Stability in the trust business is what he means. He thinks that Mr. Taft's election will enable the trusts to get a tighter grasp upon the American people and put their extortion upon a more permanent foundation. He says that Mr. Taft is not a man inclined to rash experiments. He might have omitted the word 'rash,' for Mr. Taft is not in favor of any kind of experiment in the way of remedial legislation. He does not propose remedies. He simply glories in the past, and wants to leave conditions as they are.

"Despotism of Monopoly."

"Mr. Rockefeller says that Mr. Taft would not advocate measures subversive of industrial progress. But what is industrial progress? To allow one corporation to swallow up or bankrupt all of the other corporations and then hold the country at its mercy. Is it industrial progress to destroy competition and close the door of opportunity to the young men of the country? Is it industrial progress to destroy industrial independence and establish a despotism of monopoly?

Tear Off G. O. P. Mask.

"The democrats have reasons to be grateful for tearing the mask off the republican campaign and revealing the publicity that has characterized it. Instead of openly attacking the side of monopoly the republican organization has kept up a pretense of reform, and Mr. Roosevelt rushed into the arena and allowed the charge that the trusts were opposed to Mr. Taft, to stand. I challenged him to name one trust officer that was supporting me, and, not being able to find an official, he named a St. Louis attorney who, in one case, represented the president of a branch of the Standard Oil Company.

"Mr. Roosevelt in his eagerness to relieve the republican candidate of the odium of trust support, accepted this as proof that the Standard Oil Company was supporting me. Now Mr. Rockefeller, head of the Standard Oil Company, comes out openly in support of Mr. Taft and gives reasons that lay bare the false pretenses upon which the republican campaign party would honestly welcome that, having made arrangements for the funds to finance the campaign and having pledged the republican party to protect the trusts from punishment, it would release the rank and file of the republican party from further support of the republican ticket.

Can Not Serve Two Masters.

"The republican party can not serve two masters. Its real master has now stepped forth and asserted his claim to the party's services. No republican need be deceived any longer as to the indissoluble bond that binds the republican organization to the predatory interests of the country.

Rockefeller Statement Delayed

"It will be noticed that this statement comes out too late to be used by the weekly newspapers or circulated among the masses, but in time to be used in the business centers to influence those business men who look to the big financiers for advice."

New York, Oct. 30.—Democratic National Chairman Mack, after reading the statement issued tonight at the White House, where it was said some amusement was caused by the announcement of Mr. Rockefeller, in view of what the administration had done to the Standard Oil Company, said:

"The White House statement is its own answer. The bargain was made between Taft's managers and Mr. Rockefeller and concerns the possible future administration of Mr. Taft and not what the present administration has or has not done to the Standard Oil Company."

Replying to another printed article in which it was charged that Mr. Rockefeller had been persuaded to endorse Taft at the instance of the democratic national committee, Mr. Mack said:

"The statement is ridiculous and absurd on the face of it and has already been sufficiently answered by me."

Albany, N. Y., Oct. 30.—Of more value than a campaign contribution is the way democratic leaders in Albany regard the announcement of John D. Rockefeller in favor of Taft and Sherman, and as evidence of the truth of their estimate they point tonight to the authorized announcement from the White House which they claim seeks to ridicule the idea that Standard Oil and its various interests are supporting Taft and Sherman.

"I suppose that little \$29,000,000 fine will be remitted for good and all, and without further appeal a compromise of 29c will be agreed on," said P. E. McCabe, the democratic leader of Albany County.

Republican leaders refused to make any comment, but do not regard the statement as being beneficial to the party.

If the residents of Ada want to see a good show, tonight Opera House, "The Girl Untamed."

Has Never Been Excelled.

Kate Claxton's own version of one of the few greatest dramas ever written, "The Two Orphans," will be presented at the Airdome, Ada, Wednesday, Nov. 11th, by Fred G. Conrad's excellent company. It is well known that the only version of the "Two Orphans" that reveals its full power, with its wonderful variety of emotional appeals, and profusion of highest kind of melodramatic, interest of story and stage pictures, is the Kate Claxton version. Manager Conrad has taken the pains even to get all the details as developed by Miss Claxton, with the full authority to use the priceless results of all her experience in this drama that made her famous. The strength of the company will be supplemented with an extraordinary equipment of scenery. All the Claxton traditions of performing her part, that of the blind sister, Louise, have been observed in preparing this production, but this most appealing role will hardly be better played than the famous woman—villain part, La Frochard, or the Countess made famous by Janushek; or poor lame Pierre, or the Minister of Police, or Jacques, or Picard or the Chevalier. Every part in this masterpiece is full of acting possibilities and every scene absorbing in itself, forms a portion of a complete dramatic work of art that has never been excelled in vitality of human interest. The management announces that such details as the costumes and music have been most carefully supplied. It goes without saying that any one who has never seen the "Two Orphans," should take this opportunity. All who have seen the "Two Orphans" usually find it irresistible each season. At the Airdome, Ada, Wednesday, November 11th.

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart, and one to the kidneys. When these "inside nerves" fail, then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 58 hours after starting the Restorative treatment patients say they realize a gain. Sold by G. M. Ramsey. 156-1m

GUILTY ONES KNOWN.

Reelfoot Lake, Tenn., Oct. 30.—"We know who fired the shot and who put the rope around Rankin's neck," said Gov. Patterson in a statement this afternoon just before his departure for Union City, where a special grand jury is investigating the night rider depredations in this section, which culminated recently in the murder of Capt. Guinten Rankin. The governor in his statement said:

"The proof which has thus far developed is positive as to the guilt

of some of the men under arrest and implicates many others. This will all be presented to the court at the proper time and a long step has been taken to discover and suppress lawlessness in this region. Conditions have been extremely bad, the night riders going from one lawless act to another until the culmination came with the murder of Capt. Rankin and the attempted murder of Col. Taylor. We know who fired the shot and who put the rope around Rankin's neck. The number of men actually at the killing was probably not more than ten, while some stood guard and others held the horses. The whole number engaged in the undertaking did not exceed thirty-five. The inquiry will be further prosecuted and the state will have ample evidence to convict."

Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold only—you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now—a little late though—Congress says "Put it on the label. If poisons are in your Cough Mixture." Good! Very good! Hereafter for this very reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must be said to be by those that know it best, a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the difference. No poison marks there! You can always be on the safe side by demanding

THEATRE TALK NO. 7

AS THE YEARS GO BY AND "THE TWO ORPHANS" PLAYS TO LARGE AND INTERESTED AUDIENCES SEASON AFTER SEASON,

while other plays, good strong plays, too, are born and die in a short time, the question is often asked, why "THE TWO ORPHANS" has outlived thousands of other plays? In a word one might answer because it has all the elements of success which other plays only possess in a degree.

There is scarcely a passion known to humanity that is not shown in its utmost strength, both as cause and effect, in this wonderful play, and withal these fierce human passions are so closely interwoven in the threads of the story that it forms a drama that stands almost unrivalled as regards powerful effect and deepest pathos. In fact, pathos is the keynote struck by a master hand in a way that has drawn the tears of millions of people since its first production. It is doubtful if a story of more pathetic interest has ever been or ever will be written than this tale of two friendless girls

being left alone in the gay city of Paris, both beautiful and one of them blind; their separation, and the hideous dangers they fall into; the bitter hidden yearning of the Countess for the child torn by cruel fate from her breast; the piteous figure of Pierre; the sad history of Marianne, are all phases of life that touch the tenderest chords of our natures.

WORDS AND FASHIONS, CUSTOMS AND MANNERS MAY CHANGE, but as long as humanity exists our passions can never change, good and evil will battle for supremacy, and just so long a play like "THE TWO ORPHANS" that epitomizes the best and worst of life's history will live, and succeeding generations will applaud its virtue and hiss its vice. FOR THE STRENGTH OF THIS PLAY OF PLAYS IS IN ITS TRUE HEART INTEREST.

Our patrons tell us it's a pleasure to see such a play and production as this. They couldn't tell us anything that would please us more. THE PLAY WILL BE HERE SOON AND THE MANAGEMENT SAYS "YOUR MONEY'S WORTH OR YOUR MONEY BACK."

ROCKEFELLER HURTS TAFT

It Is Believed the Great Magnate's Support of Taft Helps Bryan.

Napoleon Ohio Oct 30—William J Bryan the democratic candidate for president gave out a statement here today commenting upon declarations of John D Rockefeller made in New York yesterday that he would vote for W H Taft Mr Bryan said he was not surprised at the declarations of Mr Rockefeller as the Standard Oil Company and the republican party have been so closely related and many of their interests are identical Mr Bryan's statement follows

The morning papers publish a statement from Mr Rockefeller giving his reasons for supporting Mr Taft He says

If for no other reasons I support Mr Taft because oil companies are personally with Mr Bryan his chief opponent I find the balance of fitness and temperament entirely on his side The election of Mr Taft will I believe make for law and order and stability of business He is not a man inclined to rash experiments or to impede a return of prosperity by advocating measures as subversive of industrial progress

Taft's Sympathy for Trusts.

There are several things in the statement that deserve attention The first clause says if for no other reason But there is already a reason He is for Mr Taft because Mr Taft is for him He is for Mr Taft because Mr Taft is in sympathy with

the trusts Mr Taft has been making speeches for many weeks and he has not yet dwelt upon the iniquities of the trusts or points out the injustice done to the American people by them No wonder Mr Rockefeller is for Mr Taft

"Notorious Law-Breaker."

Again Mr Rockefeller says Mr Taft's election will make for law and order This is false Mr Rockefeller's corporation is the most notorious law breaker in the United States and he is for Mr Taft because he does not want the law enforced If he thought that Mr Taft would enforce the law against the Standard Oil Company and favored the enactment of more stringent laws against the Standard Oil Company as I do he would not be for Mr Taft Mr Rockefeller also says that Mr Taft's election will make for stability of business What kind of business? Stability in the trust business is what he means He thinks that Mr Taft's election will enable the trusts to get a tighter grasp upon the American people and put their extortion upon a more permanent foundation He says that Mr Taft is not a man inclined to rash experiments He might have omitted the word rash for Mr Taft is not in favor of any kind of experiment in the way of remedial legislation He does not propose remedies He simply glories in the past and wants to leave conditions as they are

"Despotism of Monopoly."

Mr Rockefeller says that Mr Taft would not advocate measures subversive of industrial progress But what is industrial progress? To allow one corporation to swallow up or bankrupt all of the other corporations and then hold the country at its mercy Is it industrial progress to destroy competition and close the door of opportunity to the young men of the country? Is it industrial progress to destroy industrial independence and establish a despotism of monopoly?

Tear Off G. O. P. Mask.

The democrats have reasons to be grateful for tearing the mask off the republican campaign and revealing the publicity that has characterized it Instead of openly attacking the side of monopoly the republican organization has kept up a pretense of reform and Mr Roosevelt rushed into the arena and allowed the charges that the trusts were opposed to Mr Taft to stand I challenged him to name one trust officer that was supporting me and not being able to find an official he named a St Louis attorney who in one case represented the president of a branch of the Standard Oil Company

Mr Roosevelt in his eagerness to relieve the republican candidate of the odium of trust support accepted this is proof that the Standard Oil Company was supporting me Now Mr Rockefeller head of the Standard Oil Company comes out openly in support of Mr Taft and gives reasons that lay bare the false pretenses upon which the republican campaign party would honestly welcome that having made arrangements for the funds to finance the campaign and having pledged the republican party to protect the trusts from punishment it would release the rank and file of the republican party from further support of the republican ticket

Can Not Serve Two Masters.

The republican party can not serve two masters Its real master has now stepped forth and asserted his claim to the party's services No republican need be deceived any longer as to the indissoluble bond that binds the republican organization to the predatory interests of the country

Rockefeller Statement Delayed

It will be noticed that this statement comes out too late to be used by the weekly newspapers or circulated among the masses but in time to be used in the business centers to influence those business men who look to the big financiers for advice

New York Oct 30—Democratic National Chairman Mack after reading the statement issued tonight at the White House where it was said some amusement was caused by the announcement of Mr Rockefeller in view of what the administration had done to the Standard Oil Company said

The White House statement is its own answer The bargain was made between Taft's managers and Mr Rockefeller and concerns the possible future administration of Mr Taft and not what the present administration has or has not done to the Standard Oil Company

Replying to another printed article in which it was charged that Mr Rockefeller had been persuaded to endorse Taft at the instance of the democratic national committee Mr Mack said

The statement is ridiculous and absurd on the face of it and has already been sufficiently answered by me

Albany N Y Oct 30—Of more value than a campaign contribution is the way democratic leaders in Albany regard the announcement of John D Rockefeller in favor of Taft and Sherman and as evidence of the truth of their estimate they point tonight to the authorized announcement from the White House which they claim seeks to ridicule the idea that Standard Oil and its various interests are supporting Taft and Sherman

I suppose that little \$25,000,000 fine will be remitted for good and all, and without further appeal a compromise of \$25c will be agreed on," said P E McCabe, the democratic leader of Albany County

Republican leaders refused to make any comment but do not regard the statement as being beneficial to the party

If the residents of Ada want to see a good show tonight Opera House The Girl Untamed

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart, and one to the kidneys. When these "inside nerves" fail, then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 58 hours after starting the Restorative treatment patients say they realize a gain. Sold by G. M. Ramsey. 156-1mo

Has Never Been Excelled.

Kate Claxton's own version of one of the few greatest dramas ever written, "The Two Orphans," will be presented at the Airdome, Ada, Wednesday, Nov. 11th, by Fred G. Conrad's excellent company. It is well known that the only version of the "Two Orphans" that reveals its full power, with its wonderful variety of emotional appeals, and profusion of highest kind of melodramatic interest of story and stage pictures, is the Kate Claxton version. Manager Conrad has taken the pains even to get all the details as developed by Miss Claxton, with the full authority to use the priceless results of all her experience in this drama that made her famous. The strength of the company will be supplemented with an extraordinary equipment of scenery. All the Claxton traditions of performing her part, that of the blind sister, Louise, have been observed in preparing this production. But this most appealing role will hardly be better played than the famous woman-villain part, La Frochard, or the Countess made famous by Janussek; or poor lame Pierre, or the Minister of Police, or Jacques, or Picard or the Chevalier. Every part in this masterpiece is full of acting possibilities and every scene absorbing in itself. Forms a portion of a complete dramatic work of art that has never been excelled in vitality of human interest. The management announces that such details as the costumes and music have been most carefully supplied. It goes without saying that any one who has never seen the "Two Orphans," should take this opportunity. All who have seen the "Two Orphans" usually find it irresistible each season. At the Airdome, Ada, Wednesday, November 11th.

Served as coffee, the new coffee substitute known to grocers everywhere as Dr. Shoop's Health Coffee, will trick even a coffee expert. Not a grain of real coffee in it either. Pure healthful toasted grains, malt, nuts, etc., have been so cleverly blended as to give a wonderful satisfying coffee taste and flavor. And it is "made in a minute," too! No tedious 20 to 30 minutes boiling. Test it and see. Dr. Shoop created Health Coffee that the people might have a genuine coffee substitute, and one that would be thoroughly satisfying in every possible respect. Sold by R. S. Tobin. 156-1mo

GUILTY ONES KNOWN.

Reelfoot Lake, Tenn, Oct 30—"We know who fired the shot and who put the rope around Rankin's neck," said Gov Patterson in a statement this afternoon just before his departure for Union City, where a special grand jury is investigating the night rider depredations in this section, which culminated recently in the murder of Capt. Guinten Rankin. The governor in his statement said:

"The proof which has thus far developed is positive as to the guilt

of some of the men under arrest and implicates many others. This will all be presented to the court at the proper time and a long step has been taken to discover and suppress lawlessness in this region. Conditions have been extremely bad the night riders going from one lawless act to another until the culmination came with the murder of Capt Rankin and the attempted murder of Col Taylor. We know who fired the shot and who put the rope around Rankin's neck. The number of men actually at the killing was probably not more than ten, while some stood guard and others held the horses. The whole number engaged in the undertaking did not exceed thirty-five. The inquiry will be further prosecuted and the state will have ample evidence to convict"

Cough Caution

Never, positively never poison your lungs. If you cough—even from a simple cold only—you should always treat, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now a little joke through—Congress says "Put it on the label. If poisons are in your Cough Mixture." Good! Very good! Hereafter for thirty years more, mothers and others, should insist on having Dr. Shoop's Cough Cure. And none in the medicine, else it must be law be on the label. And it's not only safe, but it is said to be by those that know best a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demand.

THEATRE TALK NO. 7

AS THE YEARS GO BY AND "THE TWO ORPHANS" PLAYS TO LARGE AND INTERESTED AUDIENCES SEASON AFTER SEASON, while other plays, good strong plays, too, are born and die in a short time, the question is often asked, why "THE TWO ORPHANS" has outlived thousands of other plays? In a word one might answer because it has all the elements of success which other plays only possess in a degree.

There is scarcely a passion known to humanity that is not shown in its utmost strength, both as cause and effect, in this wonderful play, and withal these fierce human passions are so closely interwoven in the threads of the story that it forms a drama that stands almost unrivalled as regards powerful effect and deepest pathos. In fact, pathos is the keynote struck by a master hand in a way that has drawn the tears of millions of people since its first production. It is doubtful if a story of more pathetic interest has ever been or ever will be written than this tale of two friendless girls

being left alone in the gay city of Paris, both beautiful and one of them blind; their separation, and the hideous dangers they fall into; the bitter hidden yearning of the Countess for the child torn by cruel fate from her breast; the piteous figure of Pierre; the sad history of Marianne, are all phases of life that touch the tenderest chords of our natures.

WORDS AND FASHIONS, CUSTOMS AND MANNERS MAY CHANGE, but as long as humanity exists our passions can never change, good and evil will battle for supremacy, and just so long a play like "THE TWO ORPHANS" that epitomizes the best and worst of life's history will live, and succeeding generations will applaud its virtue and hiss its vice, FOR THE STRENGTH OF THIS PLAY OF PLAYS IS IN ITS TRUE HEART INTEREST.

Our patrons tell us it's a pleasure to see such a play and production as this. They couldn't tell us anything that would please us more. THE PLAY WILL BE HERE SOON AND THE MANAGEMENT SAYS "YOUR MONEY'S WORTH OR YOUR MONEY BACK."

ADA OPERA HOUSE, WEDNESDAY NOV. 11

ROCKEFELLER HURTS TAFT

It Is Believed the Great Magnate's Support of Taft Helps Bryan.

Napoleon, Ohio, Oct. 30.—William J. Bryan, the democratic candidate for president, gave out a statement here today commenting upon declarations of John D. Rockefeller made in New York yesterday that he would vote for W. H. Taft. Mr. Bryan said he was not surprised at the declarations of Mr. Rockefeller as the Standard Oil Company and the republican party have been so closely related and many of their interests are identical. Mr. Bryan's statement follows:
"The morning papers publish a statement from Mr. Rockefeller giving his reasons for supporting Mr. Taft. He says:
"If for no other reasons, I support Mr. Taft because, on comparing him personally with Mr. Bryan, his chief opponent, I find the balance of fitness and temperament entirely on his side. The election of Mr. Taft will, I believe, make for law and order and stability of business. He is not a man inclined to rash experiments or to impede a return of prosperity by advocating measures as subversive of industrial progress."

Taft's Sympathy for Trusts.

"There are several things in the statement that deserve attention. The first clause says, 'if for no other reason.' But there is already a reason. He is for Mr. Taft because Mr. Taft is for him. He is for Mr. Taft because Mr. Taft is in sympathy with

the trusts. Mr. Taft has been making speeches for many weeks, and he has not yet dwelt upon the iniquities of the trusts or points out the injustice done to the American people by them. No wonder Mr. Rockefeller is for Mr. Taft.

"Notorious Law-Breaker."

"Again Mr. Rockefeller says Mr. Taft's election will make for law and order. This is false. Mr. Rockefeller's corporation is the most notorious law-breaker in the United States, and he is for Mr. Taft because he does not want the law enforced. If he thought that Mr. Taft would enforce the law against the Standard Oil Company and favored the enactment of more stringent laws against the Standard Oil Company, as I do, he would not be for Mr. Taft. Mr. Rockefeller also says that Mr. Taft's election will make for stability of business. What kind of business? Stability in the trust business is what he means. He thinks that Mr. Taft's election will enable the trusts to get a tighter grasp upon the American people and put their extortion upon a more permanent foundation. He says that Mr. Taft is not a man inclined to rash experiments. He might have omitted the word 'rash' for Mr. Taft is not in favor of any kind of experiment in the way of remedial legislation. He does not propose remedies. He simply glories in the past and wants to leave conditions as they are.

"Despotism of Monopoly."

"Mr. Rockefeller says that Mr. Taft would not advocate measures subversive of industrial progress. But what is industrial progress? To allow one corporation to swallow up or bankrupt all of the other corporations and then hold the country at its mercy. Is it industrial progress to destroy competition and close the door of opportunity to the young men of the country? Is it industrial progress to destroy industrial independence and establish a despotism of monopoly?"

Tear Off H. O. P. Mask.

"The democrats have reasons to be grateful for tearing the mask off the republican campaign and revealing the publicity that has characterized it. Instead of openly attacking the side of monopoly the republican organization has kept up a pretense of reform, and Mr. Roosevelt rushed into the arena and allowed the charge that the trusts were opposed to Mr. Taft, to stand. I challenged him to name one trust officer that was supporting me, and, not being able to find an official, he named a St. Louis attorney who, in one case, represented the president of a branch of the Standard Oil Company.

"Mr. Roosevelt" in his eagerness to relieve the republican candidate of the odium of trust support, accepted this as proof that the Standard Oil Company was supporting me. Now Mr. Rockefeller, head of the Standard Oil Company, comes out openly in support of Mr. Taft and gives reasons that lay bare the false pretenses upon which the republican campaign party would honestly welcome that, having made arrangements for the funds to finance the campaign and having pledged the republican party to protect the trusts from punishment, it would release the rank and file of the republican party from further support of the republican ticket.

Can Not Serve Two Masters.

"The republican party can not serve two masters. Its real master has now stepped forth and asserted his claim to the party's services. No republican need be deceived any longer as to the indissoluble bond that binds the republican organization to the predatory interests of the country.

Rockefeller Statement Delayed

"It will be noticed that this statement comes out too late to be used by the weekly newspapers or circulated among the masses, but in time to be used in the business centers to influence those business men who look to the big financiers for advice."

New York, Oct. 30.—Democratic National Chairman Mack, after reading the statement issued tonight at the White House, where it was said some amusement was caused by the announcement of Mr. Rockefeller, in view of what the administration had done to the Standard Oil Company, said:

"The White House statement is its own answer. The bargain was made between Taft's managers and Mr. Rockefeller and concerns the possible future administration of Mr. Taft and not what the present administration has or has not done to the Standard Oil Company."

Replying to another printed article in which it was charged that Mr. Rockefeller had been persuaded to endorse Taft at the instance of the democratic national committee, Mr. Mack said:

"The statement is ridiculous and absurd on the face of it and has already been sufficiently answered by me."

Albany, N. Y., Oct. 30.—Of more value than a campaign contribution is the way democratic leaders in Albany regard the announcement of John D. Rockefeller in favor of Taft and Sherman, and as evidence of the truth of their estimate they point tonight to the authorized announcement from the White House which they claim seeks to ridicule the idea that Standard Oil and its various interests are supporting Taft and Sherman.

"I suppose that little \$29,000,000 fine will be remitted for good and all, and without further appeal a compromise of \$29 will be agreed on," said P. E. McCabe, the democratic leader of Albany County.

Republican leaders refused to make any comment, but do not regard the statement as being beneficial to the party.

If the residents of Ada want to see a good show, tonight Opera House, "The Girl Untamed."

Kate Claxton's own version of one of the few greatest dramas ever written, "The Two Orphans," will be presented at the Airdome, Ada, Wednesday, Nov. 11th, by Fred G. Conrad's excellent company. It is well known that the only version of the "Two Orphans" that reveals its full power, with its wonderful variety of emotional appeals, and profusion of highest kind of melodramatic interest of story and stage pictures, is the Kate Claxton version. Manager Conrad has taken the pains even to get all the details as developed by Miss Claxton, with the full authority to use the priceless results of all her experience in this drama that made her famous. The strength of the company will be supplemented with an extraordinary equipment of scenery. All the Claxton traditions of performing her part, that of the blind sister, Louise, have been observed in preparing this production, but this most appealing role will hardly be better played than the famous woman-villain part, La Frochard, or the Countess made famous by Janussek, or poor lame Pierre, or the Minister of Police, or Jacques, or Picard, or the Chevalier. Every part in this masterpiece is full of acting possibilities and every scene absorbing in itself, forms a portion of a complete dramatic work of art that has never been excelled in vitality of human interest. The management announces that such details as the costumes and music have been most carefully supplied. It goes without saying that any one who has never seen the "Two Orphans," should take this opportunity. All who have seen the "Two Orphans" usually find it irresistible each season. At the Airdome, Ada Wednesday, November 11th.

Served as coffee, the new coffee substitute known to grocers everywhere as Dr. Shoop's Health Coffee, will trick even a coffee expert. Not a grain of real coffee in it either. Pure healthful toasted grains, malt nuts, etc., have been so cleverly blended as to give a wonderful satisfying coffee taste and flavor. And it is "made in a minute." too! No tedious 20 to 30 minutes boiling. Test it and see. Dr. Shoop created Health Coffee that the people might have a genuine coffee substitute, and one that would be thoroughly satisfying in every possible respect. Sold by R. S. Tobin. 156-1m

GUILTY ONES KNOWN.

Reelfoot Lake, Tenn, Oct 30—"We know who fired the shot and who put the rope around Rankin's neck," said Gov Patterson in a statement this afternoon just before his departure for Union City, where a special grand jury is investigating the night rider depredations in this section, which culminated recently in the murder of Capt. Quinten Rankin. The governor in his statement said:

"The proof which has thus far developed is positive as to the guilt

of some of the men under arrest and implicates many others. This will all be presented to the court at the proper time and a long step has been taken to discover and suppress lawlessness in this region. Conditions have been extremely bad the night riders going from one lawless act to another until the culmination came with the murder of Capt Rankin and the attempted murder of Col Taylor. We know who fired the shot and who put the rope around Rankin's neck. The number of men actually at the killing was probably not more than ten, while some stood guard and others held the horses. The whole number engaged in the undertaking did not exceed thirty-five. The inquiry will be further prosecuted and the state will have ample evidence to convict."

Cough Caution

Never, positively never poison your lungs. If you cough—cough from a simple cold—cough you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a suppressant. It's strange how going drugs finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures or prescriptions containing Opium, Chloroform, or similar poisons. And now a little late though—Congress says "Put it on the label, if poisons are in your Cough Mixture." Good! Very good! Hereafter for thirty reasons more, and others, should insist on having Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must be said to be by those that know it best a truly remarkable cough remedy. Take no chance then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks on them. You can always be on the safe side by demanding

Dr. Shoop's Cough Cure

THEATRE TALK NO. 7

AS THE YEARS GO BY AND "THE TWO ORPHANS" PLAYS TO LARGE AND INTERESTED AUDIENCES SEASON AFTER SEASON,

while other plays, good strong plays, too, are born and die in a short time, the question is often asked, why "THE TWO ORPHANS" has outlived thousands of other plays? In a word one might answer because it has all the elements of success which other plays only possess in a degree.

There is scarcely a passion known to humanity that is not shown in its utmost strength, both as cause and effect, in this wonderful play, and withal these fierce human passions are so closely interwoven in the threads of the story that it forms a drama that stands almost unrivalled as regards powerful effect and deepest pathos. In fact, pathos is the keynote struck by a master hand in a way that has drawn the tears of millions of people since its first production. It is doubtful if a story of more pathetic interest has ever been or ever will be written than this tale of two friendless girls

being left alone in the gay city of Paris, both beautiful and one of them blind; their separation, and the hideous dangers they fall into; the bitter hidden yearning of the Countess for the child torn by cruel fate from her breast; the piteous figure of Pierre; the sad history of Marianne, are all phases of life that touch the tenderest chords of our nature.

WORDS AND FASHIONS, CUSTOMS AND MANNERS MAY CHANGE, but as long as humanity exists our passions can never change, good and evil will battle for supremacy, and just so long a play like "THE TWO ORPHANS" that epitomizes the best and worst of life's history will live, and succeeding generations will applaud its virtue and hiss its vice. FOR THE STRENGTH OF THIS PLAY OF PLAYS IS IN ITS TRUE HEART INTEREST.

Our patrons tell us it's a pleasure to see such a play and production as this. They couldn't tell us anything that would please us more. THE PLAY WILL BE HERE SOON AND THE MANAGEMENT SAYS "YOUR MONEY'S WORTH OR YOUR MONEY BACK."
